

The coat of arms of the Municipality of Škofja Loka is a shield-shaped emblem. It features a green tree with a white trunk and branches in the center. To the left of the tree is a yellow chalice, and to the right is a yellow hammer. Below the tree are three red flowers with yellow centers. The shield is divided into four quadrants by a white cross, with the tree and flowers in the center and the chalice and hammer in the corners.
